Skills

17 Years of professional experience in nearly all stages of the 2D pipeline: Art Direction, Environment and Production Design, Senior Animator, FX and 2.5D Compositing.

Experienced in a wide variety of visual styles and project formats including feature film, broadcast, short films and music videos.

Comfortable leading small teams, giving thorough revisions and notes. Able to work well with others to solve problems and meet requirements efficiently.

Strong understanding and execution of the art fundamentals.

Proficient in:

- Adobe Photoshop
- Adobe Animate
- Adobe After Effects

Work History

Teaching:

I recently created a custom curriculum (advanced layout) for a studio layout team of 15-20 artists. I taught over 5 2-hour zoom sessions where I described and demonstrated theory in composition, perspective and scene analysis.

DHX:

Concept Artist and Key Environment Designer on "My Little Pony - The Movie" feature film 1

Environment Painter on "Subway Surfers" animated series 6

Atomic:

Environment and Prop Designer on "Mighty Express" Netflix animated series 2

Concept Artist and Key Environment Designer on "Night at the Museum: Kamunrah Rises Again" Netflix Feature Film 3

Concept Artist and Production Designer on "Ava the Codemaster" early show development 4

Kreis Immersive:

Concept Artist and Designer for Cannes Film Festival XR, "Alexandria: Port of Worlds" VR space 5

Concept Artist for Shakespeare Interactive VR experience

Cartoon Conrad Productions Inc:

Creative Producer in 2022

Art Direction, Direction, Production Design and Compositing on "Adventures in Odyssey" Animation and pre-production test 7
